#### INNOVATIVE DESIGN

A robust & powerful hand-held tool that tackles stairs, walls, countertops or any hard to reach areas.

#### ORBITAL TECHNOLOGY

The powerful motor provides added torque for extreme cleaning application.

#### DUAL ORBITAL DRIVERS

Increased cleaning efficiency and eliminates burns, gouges & swirl marks.

#### THREE FOOT HANDLE EXTENSION

For quick carpet spotting & hard to reach areas.

#### DUAL POSITION MOUNT

Allows for horizontal & 45 degree orientations.

#### GRAY BRUSH

This ultra soft upholstery brush is ideal for delicate surfaces.

Each bristle is "flagged", a technique that splits ends into multiple fine tips. Safe to use on headliners, leather and other more fragile upholstery and natural fine fiber carpets.

#### AQUA BRUSH

This soft carpet brush is ideal for commercial carpet and stairs.

Featuring medium crimped bristles for a gentle yet thorough cleaning, each brush kneads and vibrates loose soil or debris.

#### WHITE BRUSH

This carpet + tile & grout brush is a must-have.

Designed for vigorous cleaning & recommended for more heavy duty applications when compared to the Aqua Brush.

#### BLACK BRUSH

This scrub brush is our most aggressive brush and provides exceptional scrubbing power on tough surfaces.

Ideal for cleaning tile & grout, stone floors and truck bed liners.

#### VELCRO DRIVER PLATES

For quick pad changing

#### AKWASTRIP PADS

The revolutionary AkwaStrip pad can strip wax off of wood, VCT and vinyl floors without using any harsh chemicals, just water!

#### SUPERZORB PADS

Our exclusive, highly absorbent cotton-polyester blend pads specifically designed for the Orbot Micro.

Thoroughly remove moisture, soil, and lift carpet pile allowing faster dry times.
